**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We currently receive our landline phone and internet service from Sonic, a local provider which has delivered far faster internet at a better price than the AT&T service we previously used. We are very pleased with our service and with the responsiveness of a local provider. Please do not approve new rules that would lessen the ability of such local providers to do the good work they do.

Thank you.
